Programme subject to change without notice

This concert, built around the themes of mystery, beauty and enlightenment, features music inspired by many sources including Bach's *A Musical Offering*, the cosmic "music of the spheres, and the mythological bird, the Phoenix. Composer Chris Paul Harman's new work, *Coyote Soul*, will receive its world premiere bringing Esprit's highly memorable season to a close.

In conjunction with the 60th Canadian League of Composers Annual Meeting, Esprit will be hosting its annual New Wave Young Composers Festival from May 12 – 15th.

The Canadian Music Centre will also be presenting the prestigious Emerging Young Composers Award at the Esprit May Concert.
